- TO: CHIEF ELECTED OFFICIALS

- SUBJECT: WORKFORCE INVESTMENT ACT (WIA) PLANNING
ALLOCATIONS FOR PROGRAM YEAR 2000/2001

Starting July 1, 2000, WIA goes into effect, replacing the existing Job Training Partnership Act (JTPA) program.

Under WIA, the State's local workforce investment areas (LWIA) will receive formula allocations to operate job-training programs for adults, economically disadvantaged youth, and dislocated workers. The enclosure to this letter shows WIA planning allocations.

The amounts going to LWIAs were determined as follows; hold-harmless provisions were used in calculating the adult formula allocations. The hold-harmless provision ensures that all LWIAs receive at least 90 percent of their average share of the State's allocation for the previous two years. The hold-harmless provision was not used in the calculation of youth allocations and is not applicable to funding for dislocated workers. Under separate cover, you will receive a subgrant for signature with the actual final amounts.

A description of the funding sources follows:

Adult Program - Core services can be provided to all adults through the One-Stop Service Delivery System. Eligibility criteria do not apply to core services. Based on an assessment, individuals will receive intensive and/or training services.

Youth Program - The purpose of the Youth Program is to provide eligible youth assistance in achieving academic and employment success through a variety of program options which improve educational and skill competencies and provide effective connections to employers. The Youth Program no longer contains a separate summer program but is now a year-round program. To facilitate transition to the new WIA Youth Program, 25 percent youth allocations may be released with an effective date as early as April 1, 2000, depending on your approved local early youth plan. Under separate cover, you will receive your early youth allocation. To assist in the transition to the new Program, we are encouraging you to consider serving eligible youth under the Adult Program. In addition, adult administrative funds may be used to supplement the administration of the Youth Program.

Dislocated Workers - Through the One-Stop Service Delivery System, dislocated workers will receive core services. Eligible participants will receive intensive and/or training services. Dislocated workers include displaced homemakers.
